

1060 alfamix squirrel

complete mixture with extra vitamins and minerals. Suitable for all squirrels

Feeding advice

- give squirrels their own feeding ground, on a board or house, somewhat higher in the tree
- there are squirrel feeders for sale and there are construction drawings so you can make them yourself
- give some 1060 alfamix squirrel regularly
- never give squirrels salted nuts, potato chips, cookies, bread milk or leftovers. Squirrels can become sick from all those things, and can even die from them
