

## 5749 rabbit melange

complete, richly diverse mixture of cereal flakes, grains, seeds, vegetable flakes and crunchy and pressed pellets. Because of the finer structure also very suitable for dwarf rabbits

### feeding advice for rabbits in and about the house

- the amount of feed rabbits need depends on their size, their level of activity, the ambient temperature, and if any supplements are given
- give fresh hay and straw daily: these raw fibres are necessary for their digestion
- give fresh water daily
- most rabbits eat daily 2.5 -3.5% of their body weight in feed
